Product Name	Diameter Ruler (Big)
Product Description	<ul style="list-style-type: none"> Used in Cable and Coil Measuring Operations. Diameter Measurement Range: 10-115 mm

Product Name	Diameter Ruler (Small)
Product Description	<ul style="list-style-type: none"> Used in Cable and Coil Measuring Operations. Diameter Measurement Range: 5-35 mm

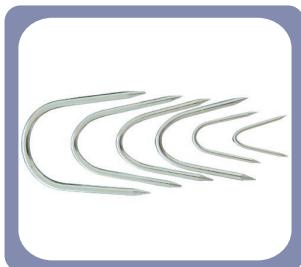

Product Name	Ceramic Welding Rings
Product Description	<ul style="list-style-type: none"> Production is Made in Specified Sizes Inner Diameter Range: 0.50 - 47.7 mm

Product Name	Vulkollan Rubber Seal
Product Description	<ul style="list-style-type: none"> Production is Made in Specified Sizes 160 x 5.9 mm - 40 mm 255 x 10 mm - 80 mm

Product Name	Rubber Casing Caps
Product Description	<ul style="list-style-type: none"> Production is Made in Specified Sizes Inner Diameter Range: 5 - 80 mm

Product Name	U Nails
Product Description	<ul style="list-style-type: none"> Produced in 6 different sizes. No: 1 Small, No: 2 Medium, No: 3 New Type, No: 4 Large, No: 5 XL and No: 6 XXL

Product Name	Beaked Cable Paring Knife
Product Description	<ul style="list-style-type: none"> Used in Rubber, PE and XLPE Outer Sheath Peeling Processes

Product Name	Cable Sheath Repair Knife
Product Description	<ul style="list-style-type: none"> A Durable, Ergonomically Designed Knife for Precise Outer Sheath Repairs on Various Cable Diameters, Ensuring Clean And Efficient Cutting.

Product Name	Brass Wire Brush
Product Description	<ul style="list-style-type: none"> Used in Cleaning of Plastic Injection Moulding Machines and Pipe Interiors Production is Made in Every Desired Size

Product Name	Cable Stripper
Product Description	<ul style="list-style-type: none"> Medium and High Voltage Cable Sheath Stripping Tool

Product Name	Loupe with Linear Scale
Product Description	<ul style="list-style-type: none"> 10 mm Linear Scale for Measurements 8x Zoom Feature

Product Name	Cotton Cloth Tape
Product Description	<ul style="list-style-type: none"> Used in Cable Bundling, Steel, Footwear and Agricultural Industries Available in Black and White Size: 19-25-38 mm x 25 m

Product Name	PHC RSC-432
Product Description	<ul style="list-style-type: none"> It Has a Self-Activating Safety Cap. The Blade Closes Automatically at the End of Each Cut NSF Certified and Ideal for Food Service and Manufacturing Facilities.

Product Name	PHC DFC364
Product Description	<ul style="list-style-type: none"> Integrated Tape Separator Suitable for Opening Boxes without Damaging the Contents Ideal Choice for Cutting Stretch Film, Plastic Bags, Plastic Straps, Twine and More

Product Name	Mascaret 103.1.152
Product Description	<ul style="list-style-type: none"> Safety blade; Provides Superior Safety with Recoiling Spring System Suitable for Right and Left Handed Users

Product Name	Ausonia 63.1.152
Product Description	<ul style="list-style-type: none"> The Handle Retracts Automatically When the Blade Is No Longer Under Pressure.

Product Name	LEGE 122.1.153
Product Description	<ul style="list-style-type: none"> Recyclable, Retractable and Replaceable Safety Blade.

Product Name	GEMEL 106.1.153
Product Description	<ul style="list-style-type: none"> It is a Safety Knife That Can Be Activated for Both Right and Left Handed Users.

Product Name	Hundal H-818-P
Product Description	<ul style="list-style-type: none"> Non-Marking Leather Work Glove Palm of the Hand is Treated Goat Leather, Over-Hand Jersey Fabric EN388:2016 2121X

Product Name	Hundal H-825
Product Description	<ul style="list-style-type: none"> Long Cuff Argon Welding Glove Made of Treated Goat Leather CE EN388:2016 (2122X) CE EN407:2004 (412X4X) EN12477:2001+A1:2005

Product Name	Hundal H-828-B
Product Description	<ul style="list-style-type: none"> Short Cuff Argon Welding Glove Made of Treated Goat Leather CE EN388:2016 (2122X) CE EN407:2004

Product Name	Hundal H-814-A
Product Description	<ul style="list-style-type: none"> Leather Assembly Glove Made of Cowhide Hard Cotton Cuff CE EN388:2016 4123X

Product Name	Hundal H-820-DYP
Product Description	<ul style="list-style-type: none"> Leather Assembly Glove Reinforced Palm, Index Finger and Thumb CE EN388 4142X

Product Name	Hundal H-170418C
Product Description	<ul style="list-style-type: none"> Long Cuff Welding Glove Non-Stick Surface for Welding Sparks Made of Cowhide EN388:2016 (3233X) EN407:2004 (413X4X) EN12477:2001+A1:2005

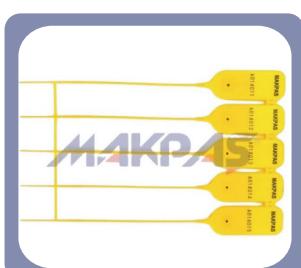

Product Name	Cable Repair Foil
Product Description	<ul style="list-style-type: none"> Used by Wrapping Around the Cable Conductor to Correct Faults

Product Name	Transparent Repair Tape
Product Description	<ul style="list-style-type: none"> Heat Resistant and Used in Cable Repair Operations Also for Use on Conductor in Cable

Product Name	Duct Tapes
Product Description	<ul style="list-style-type: none"> Our Duct Tapes Have Natural Rubber Adhesive They Have the Feature of not Losing Their Adhesion at -27 / +65 Degree Celcius Temperatures

Product Name	Plastic Seal
Product Description	<ul style="list-style-type: none"> Used for Cargo and Product Transport

Product Name	Airpad Cushion
Product Description	<ul style="list-style-type: none"> Multi-Purpose Packaging Material, Protects the Products it Surrounds Against Impacts It Can Be Produced in the Desired Size and Can Be Used in the Required Amount with its Easily Tearable Lines.

Product Name	PP Air Cushion
Product Description	<ul style="list-style-type: none"> Disposable Airbags That Can Be Produced in Various Layers and Sizes 60 x 120 cm 90 x 180 cm 90 x240 cm

Product Name	Polyester Strapping
Product Description	<ul style="list-style-type: none"> It Stands Out With its Durability and Flexibility. Suitable for Various Applications with Different Size Options.

Product Name	Manual Strapping Machine
Product Description	<ul style="list-style-type: none"> The Manual Strapping Machine is a Handheld Tool for Tensioning, Sealing, and Cutting Plastic Strapping Efficiently.

Product Name	FROMM P328
Product Description	<ul style="list-style-type: none"> The FROMM P328 is a Battery-Powered Plastic Strapping Tool for Efficient Tensioning, Sealing and Cutting.

Product Name	HT-180 Heated Nipper
Product Description	<ul style="list-style-type: none"> Easy to Cut Off Fragile Materials Such as Acrylic, Styrenic Plastic and Glass Resin Without Cracks

Product Name	Anti-Slip Paper
Product Description	<ul style="list-style-type: none"> Very High Frictional Strength Compared to Normal Paper Separators. Excellent Result in Keeping Plastic Crates Stable on the Pallet

Product Name	Reflective Cross Belt Vest
Product Description	<ul style="list-style-type: none"> Available in Green and Orange Colours
